

The Diviner Lunar Radiometer Team Presents....

Observe the Moon

SUNDAY, OCTOBER 21ST
6:30-9PM

in the UCLA Planetarium

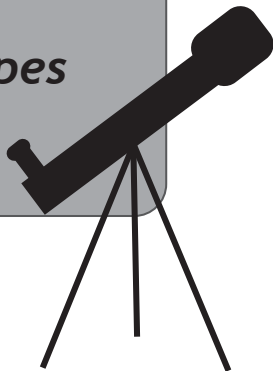

Join the Diviner Lunar Radiometer team and learn more about our closest neighbor. Hear about the most recent lunar discoveries and observe the Moon firsthand via telescope!

PROGRAM:

- 6:30 All About the Moon
- 6:45 Recent Discoveries
- 7:00 Moon: Fact and Fiction
- 7:15 Moon Quiz (with Prizes!)

*Observe the Moon
with rooftop telescopes*

7:30-9pm

**Talks will be followed by
refreshments on the roof**

Directions: The UCLA planetarium is located in the Mathematical Sciences building on the 8th floor (MS 8224). Follow signs from the Court of Sciences.

Event will proceed rain or shine
